Re: U.S. Patent Application  
Title: **REUSE OF HARDWARE COMPONENTS**  
Application No.: 09/273,089  
Our Reference No.: JMEC65.1CPCP1

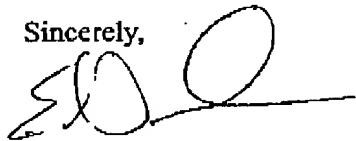

Dear Examiner Frejd:

This is to request that you issue a supplemental Notice of Allowability acknowledging domestic priority to a prior filed application (Application No. 09/237,549) under 35 U.S.C. § 120.

This application is a continuation-in-part application and claims benefit from Application No. 09/237,549. Although the priority claim has been properly made in the specification and the Notice of Allowability, dated May 4, 2004, does not acknowledge domestic priority to the prior filed application under 35 U.S.C. § 120. Thus, Applicant respectfully requests that a supplemental Notice of Allowability acknowledging the domestic priority be provided to the undersigned.

If the Examiner has any questions regarding this matter, he is respectfully invited to contact the undersigned at the telephone number indicated below.

Sincerely,

Eric M. Nelson
